

2000 CONFERENCE SHOWS

The Shows Committee would like all lodges to make a sturdy cardboard, plywood or fiberboard flap (Painted) on a six foot (6') pole. This should be done to the specified dimensions below. This flap sign will be used in the Opening Show at the NOAC. One representative from each lodge will carry and display the sign in the Opening Show. The lodge representative should report with the sign to the back stage entrance of Thompson-Boling Arena at 7:00 p.m. on Sunday, July 30, 2000.
